THE PEARSON ROOM

The Hurst Group have played a major role in the regeneration of **Reebok Sports Club**, flagship gym situated in the heart of Canary Wharf.

The club occupies 3 floors with the training floor covering a staggering 10,000 sq ft and featuring over 100 pieces of strength training equipment. It is London's largest luxury health club. The club also features a full service spa, sports shop and golf centre.

The Hurst Group were instrumental in the refit of the stunning club restaurant - '**The Pearson Room**', which overlooks Canada Square, with the manufacture and supply of a new zinc top bar, heritage banquet seating, wall panelling and antique mirrors. The interior of this casual yet sophisticated restaurant draws inspiration from the 1950's and has an atmosphere of easy-going, indulgence.
