

# GOOSE

**Client:** Goose

**Location:** Harrogate  
- Hornbeam Business Park

Hurst undertook the fit out of a new family clubhouse titled 'GOOSE' in Harrogate. The clubhouse features a family dining area plus dedicated craft, reading and play areas for the kids.

The project included:

- Creation of a new reception area including manufacture of a Corian reception desk and shelving.
- Installation of new child friendly access system.
- Creation of dining room area and craft/play areas with low level dividing wall featuring chalkboard area.
- Creation of new toilets including tiling and hygienic cladding.
- Manufacture and installation of bookcase dividers with feature colour panels and craft area cabinets.
- New servery counters both back and front of house and worktops.
- New ceilings and all electrics.
- All decorations including tiling to kitchen and feature wall paper.
