

Fit Out

Client: Leeds Metropolitan University

Designer: Fuse Studios Limited

Location: Kirkstall Brewery Student
Accommodation, Leeds

Project Value: £380k

Kirkstall Brewery operated as a brewery between 1833 and 1983, now the Grade II listed buildings are home to over 800 students. Hurst were responsible for the complete refurbishment of the student bar and recreational areas within 'The Vault'.

Scope of Works:

- Beamed atrium featuring an artificial grass wall, antique mirrors, oversized lampshades, original stone and new oak flooring.
- Rear of atrium includes wood panelling to ceiling with distressed finish, halogen lighting and feature wood partitioning with planting.
- Bar area - bar with new ceramic tiling, solid oak flooring and feature metal shelving with logs.
- Snug area with wood wall panelling and digital wallpaper.
- Multi-purpose room - with original wood beams, Amtico flooring and remote control black-out blinds.
- All signage including feature fairground 'The Vault' sign.
- Painting, decorations and lighting throughout.
