Client: IKEA

Location: Westfield Shopping Centre - Stratford City

Hurst completed the fit out of Ikea's new concept '**Order and Collection Point**' store within the Westfield Stratford City Shopping Centre. At just 900sq m the store is designed as a planning studio to plan complex purchases such as kitchens. The store features 5 new concept houses showcasing room sets and providing home ideas. This is the first IKEA store within a shopping centre in the UK.

Scope of Works:

- Creation of 5 large display houses on two levels out of a slimline mezzanine system and SIPS panels.
- All wall linings and specialist wall finishes e.g. peg walls.
- Manufacture and installation of all joinery requirements.
- Installation of all light fittings.
- Assembly of all Ikea unitary.
- All decorations.

Client: Mamas and Papas

Location: Westfield - London

Hurst undertook the fit out of Mamas and Papas new flagship store at the Westfield, White City Shopping Centre in London. With an open floor to ceiling glass frontage welcoming customers, the 5,000 sq feet store is then organised into 'worlds' based around new parents key shopping missions. Moving wall projections of digital clouds transforming into animals also bring a soft touch of technology.

The project included:

- Management and resolution of all Westfield Shopping Centre issues.
- Manufacture and installation of all bespoke joinery items - floating and perimeter wall display units.
- Merchandising feature suspended from the ceiling.
- Management of all subcontractors for delivery of: M&E, ceilings and partitioning, shopfront and decorations.
- Various flooring types - resin, hardwood and softwood flooring.

thehurstgroup.co.uk

The Hurst Group played a significant role in the delivery of three new stores within the **Trinity Leeds** shopping centre which opened in March 2013.

Hurst Stores and Interiors

completed the fit out and joinery for **Mamas and Papas** new northern flagship store. The store showcases the company's new logo, packaging and store design and will provide the benchmark for future new stores.

Hurst Stores and Interiors also delivered the fit out of two customer cafes within the redesigned **Marks and Spencer** store, which now has 96,000 sq ft of selling space. The new 100-seat cafe, located on the second floor, offers customers panoramic views of the entire Trinity development.

Thirdly Hurst Joinery Projects

manufactured and installed the shop joinery and supplied the seating for **Vision Express's** flagship store. This is part of a long standing relationship with the company covering stores in both the UK and abroad.

Aynsley House, Common Road, Low Moor, Bradford.
