

Client: GHM - 'Guess How Much'
Location: Walkden, Greater Manchester

Hurst undertook the fit out of a new pilot discount store titled GHM! – 'Guess How Much'.

Scope of Works:

- Forming new front and back of house areas.
- Fit out of manager's office, staff room and toilets.
- Installation of sales metalwork and checkout system.
- New floorings and ceilings.
- New heating, ventilation and fire alarm systems.
- New security alarm system.
- Installation of new doors including EHO devices.
- Installation of new internal and external signage.

"I compliment Hurst on the general standard of workmanship carried out, both the client and I felt that Hurst were always ready to assist, nothing ever was a problem. Overall smooth planning, great communication and clearly a high standard of delivery."
