

**Client:** Private

**Location:** Central Bristol

**Main Contractor:** MAC Interiors

Hurst Joinery manufactured and installed a number of bespoke joinery items as part of the refurbishment of One Cathedral Square in Bristol.

One Cathedral Square is right in the heart of the city on the doorstep of the historic Clifton and is within walking proximity of Temple Meads train station along the striking and historic Brunel Mile.

**Scope of Works:**

- Install of leather banquette seating with cantilevered marble table tops and oak slatted panelling.
- Manufacture and supply of new marble clad reception desk.
- Walnut veneered wall panels set into an anodise aluminium extrusion.
- New white gloss teapoint.
- Black laminate lift reveal panels.
